In loving memory, we dedicate this yearbook to Mrs. Ellen Kline

Always in our hearts, forever missed.
Here are some memories her friends shared.

My favorite memories of Ellen occurred during our many lunches together. We shared many laughs about our kids, life, and our dogs.

Ellen always did the right thing and she advocated for what was right for her students and for herself....

Ellen would always show a genuine interest in and never miss an opportunity to ask how my kids were.

We talked about everything from work, to family, to hobbies, and everything in between. As the years went on, every time I saw her she would ask about my wife, and these last couple years about the kids.

It was always one of the nicest part of my day to spend a few minutes catching up with Ellen.

Ellen had a joyful laugh and beautiful smile.

Ellen Kline remembered everybody's Birthday...she would see cards during the year that she knew you would like and would pick them up and save them for your Birthday. My Birthday is in August and every August she would come into work on my Birthday so she could give me my Birthday Card...

Her concern for the students she worked for even when she was dealing with all the medical issues that confronted her, she always worried about her kids.

She was invested in working with us here at school and invested in who we were as people outside of school as well.

ETHS DRAMA: THE CRAVING FALL 2017

theClass of 2018... quoted.

"But darling, your heart is on fire with a passion that disguises new beginnings as destruction... you mustn't worry, for the ability to change the world lies within" - M.A.O. Well I know what's right I got just one life. In a world that keeps on pushin' me around, but I stand my ground and I won't back down. Tom Petty "No one ever made a difference by being like everyone else." - P.T. Bannum. I'm a beautiful butterfly. I'm just stuck in a cocoon. Is it time to go home yet? "Don't be afraid to go after what you want to do, and what you want to be. But don't be afraid to be willing to pay the price." - Lane Frost "In a world full of Kardashians, be a Montica." "What a time to be alive! Never entertain the thought. Can't - Admiral William H. McRaven Go confidently in the direction of your dreams! Live the life you've imagined - Thoreau. Stop being afraid of what could go wrong and start getting excited about what could go right. "Life's a garden dig it" - Joe Dirt. Electrical, it's just so shocking! "Don't Cry because it's over. Smile because it happened" - Dr. Suess Can I get the work from when I was out? I'll stop wearing black when they make a darker color. Wednesday Adams With ordinary talent and extraordinary perseverance, all things are attainable. - Thomas Buxton You can't climb the ladder of success with your hands in your pockets. "Recognizing opportunity is so difficult for most people because it goes around disguised in overalls, looking like hard work!" Thomas Edison Laughter is timeless, imagination has no age, and dreams are forever - Walt Disney Any man with two hands has a fighting chance - James Ellsworth "What feels like the end, is often the beginning." Would you like an adventure now, or shall we have our tea first? - Peter Pan The greatest gift in life is the ability to think great thoughts and have the strength to take action so that those thoughts become reality in this wonderful and abundant world - Jack Black The first step towards success is taken when you refuse to be a captive of the environment in which you first find yourself. - Mark Caine Let your dreams stay big and your worries stay small. Rascal Flatts "No matter what people tell you, words and ideas can change the world." Robin Williams, Dead Poets Society My train of thought fell off the tracks and flew off into space. I have no fear of losing my life - if I have to save a koala or a crocodile or a kangaroo or a snake, mate, I will save it. Steve Irwin (1962-2006) "You are what you love, not who loves you." Fall Out Boy "If you aren't willing to keep looking for light in the darkest of places without stopping, even when it seems impossible, you will never succeed" Meredith Grey "The only time I set the bar low is for limbo" - Michael Scott We're all mad here - Chesire Cat Real G's move in silence like lasagna. It's kind of fun to do the impossible - Walt Disney Tom Brady is the best quarterback of all time. I am so clever that sometimes I don't understand a single word of what I am saying. - Oscar Wilde Of course I dress well, I didn't spend all that time in the closet for nothing. "Don't let people define who YOU are. You are you. OWN IT." I'm a slow learner, it's true. But I learn. - Sansa Stark An understanding of the natural world and what's in it is a source of not only a great curiosity but great fulfillment. - Sir David Attenborough. I'm actually nice, it's just my face. Wow, you're so tall. - Everyone Hey! That's pretty good! Positivity is huge if you want to succeed in life. Do or do not there is no try. If you ain't first, you're last. Ricky Bobby "When there is no vision there is no revelation" emily craig "what ever you decide to do, make sure it makes you happy" - paulo Coelho What feels like the end, is often just the beginning. This wasn't anything like High School Musical.

Favorite High School Memories from the Class of 2018

On one of the first days in shop, I got really stuck in a thorn bush. This girl I didn't know well at the time tried to help me out and ended up getting stuck with me. A third person had to come and untangle us from the thorns. That was the beginning of an epic friendship. Watching the baby goats be born. Getting into my CTE choice freshman year. The first pep Rally! When the girls track team won the CAC championship. Cheerleading at Friday night football games. Becoming the President of the Essex JFA Chapter. Mapping the area affected by the beaver dam in Ferncroft Woods with my Environmental Science class. The dam unexpectedly flooded the path completely and our class had to swim our way through the woods and back to class. First volleyball game win! Hanging out with my friends from shop. Senior Night, 2-2 vs Shawsheen... personally netted both goals. Canoeing on the Ipswich River. The 2017 trip to New Brunswick, Canada. Playing Mario Kart on the projector with the teachers. JFA State Convention. Splashing 3 3's in a row to come back from 15+ down at halftime to win against NE. My friend Alex making me laugh during the placement test because my calculator wouldn't work. Raising over \$1,000 for Smile Train! Placing Second in the State of Massachusetts for Dairy Showmanship. The Europe trip. Going to Europe with my best friends. Sledding down the hill on clipboards. E.M.'s water bottle squinting everywhere on the plane from the change in air pressure while we were on our way to Louisville, Kentucky for the Skills USA National Competition. The water squinted on the people in front of her and behind her, getting everyone wet. My favorite high school memory is the environmental Canada Trip. Hawk Holiday Hope! Ripping my pants on the first day of shop freshmen year. When we found out that we won the spring track vocational meet. Getting into my shop. Dance competition at the pep rally in 2017. Playing lacrosse. Eating chocolate salted caramel cookies. Being part of the EHS Boys Volleyball team, and meeting lifelong friends throughout the four years. Girl's volleyball senior night. The greatest sense of community I have ever felt has been with my 2017-2018 JFA Chapter Officer team. There are countless memories with this group I'll remember years from now, whether it be the late nights in hotels, going out for fast food runs, or laughing until we're in tears with our advisors. My favorite high school memory would have to be spending time with my friends and passing my OGC test with my dog that I used for training. Finding out our whole class passed our CNA test! Competing at JFA nationals. Making a chain train in the back of Ms. Plante's room. All the fun times in shop <3

There's something about reaching your goals that stays with you. It gives you the confidence to try new things. It motivates you to never give up. And it reminds you that you can achieve anything you put your mind to. Never stop reaching for those impossible dreams they are always closer than they may seem. My wish for you on your graduation day is that you always believe in yourself because then you'll have no trouble finding your way.
Love Always, Mom
